Genesis- Bereshit'- Beginnings or At the Beginning

What happened at the very beginning? **Creation-**

How long did it take? **6 days**

What did God do on the seventh day? **Rested. Stopped His work. Made the day holy.**

What did God call the seventh day? **Shabbat or Sabbath**

What does Shabbat mean? **To cease or to stop.**

How do we do that? What do we do differently on the Sabbath to keep it?

What else are we commanded to do? **Exodus 20:8 Keep it holy.**

How do we do that?

Let's read some other things that YHVH says about the Sabbath

Isaiah 56:1&2 and 58:13&14

Let's talk about what we do on the evening of the Sabbath as Shabbat begins. Why does it begin in the evening? Look back at our creation account.
